Penguin Computing, Inc.
Acceptable Use Policy

All use of on-line products and services including, but not limited to, our websites and Penguin Computing on Demand (collectively, “**Penguin’s On-line Services**”) are subject to this Acceptable Use Policy (“**AUP**”). By visiting, accessing or using any Penguin’s On-line Services, you agree to comply with this AUP. If you do not agree to comply with this AUP, you must end your visit, access and use of Penguin’s On-line Services immediately.

Your use of Penguin’s On-line Services must not attempt to: (a) tamper or interfere with the use of Penguin’s On-line Services of any other users; (b) circumvent or expand any of the file permissions, or security or privacy related controls; or (c) overload or otherwise disable Penguin’s On-line Services.

Your use of Penguin’s On-line Services and your content must not include, be deemed to engage in, facilitate, promote, permit or in any way be associated with: (e) gambling; (f) child pornography or other illegal activities, including without limitation any activities that might be libelous or defamatory or otherwise malicious, harassing or harmful to any person or entity, or discriminatory based on race, sex, religion, nationality, disability, sexual orientation, or age; (g) deceptive practices such as posing as another service for the purposes of phishing or pharming; (h) distribution, sharing, or facilitation in the distribution of unauthorized data, malware, viruses, Trojan horses, spyware, worms, or any malicious or harmful code; (i) violation, misappropriation, or infringement, in each case, or the appearance of, the rights of any third party; (j) illegal export of any controlled or otherwise restricted items, including without limitation, software, algorithms, or other data that is subject to export laws; (k) compromising the security of or tampering with system resources or accounts on POD or other systems in any manner including by distributing or using tools designed to compromise security (viruses, password guessing programs, cracking tools, network probing tools, etc.); or (l) digital currency mining.

Penguin may investigate any suspected violations of the AUP and you hereby agree to fully and timely cooperate and provide any and all information requested or required by Penguin with regard to your interaction with Penguin’s On-line Services. In the event of any violation or potential violation of this AUP, Penguin may immediately and without notice suspend or terminate your access or use of Penguin’s On-line Services without any liability to Penguin.
